SKILL:

- ❖ HTML/CSS/JavaScript/ TypeScript
- ❖ React.js/Next.js
- ❖ Express/ Node.js
- ❖ MongoDB
- ❖ Tailwind CSS
- ❖ Git/GitHub

EDUCATION:

- ❖ **Bsc.CSIT -** Amrit Science Campus   **2022-2026**
- ❖ **Science (+2) -** St Lawrence College   **2019-2021**

PROJECT:

- ❖ **Kura – Chat Web Application**
  Developed a real-time chat application that allows users to communicate through text messages. The application features an intuitive user interface and supports group chats, file sharing, and notifications.
   USP: Features an Admin Dashboard providing detailed statistics on users, chats, and messages
  Technologies Used: React.js, Node.js, Mongoose, SCSS, Chart.js, Redux, Socket.io, Cloudinary, Express, Multer.

- ❖ **Pasal – E-Commerce Web Application**
  Created a comprehensive e-commerce platform that facilitates product browsing, shopping cart functionality, and secure checkout processes. The platform supports user authentication and order tracking.
  USP: Includes an Admin Dashboard offering comprehensive statistics on users, products, and orders, along with coupon creation capabilities.
  Technologies Used: TypeScript, React.js, Node.js, Mongoose, Firebase, Chart.js, Redux, SCSS, Cloudinary, Express, Multer, Node-Cache

- ❖ **Kura – Fundraising Web Application**
  Developed a platform for individuals, creators, and companies to raise funds from the public. The application allows users to create fundraising campaigns, track donations, and manage fund distributions.
  USP: Enables creators, companies, or individuals to create fundraising pages with payment integration via Nepali e-wallets.
  Technologies Used: Next.js, Mongoose, Next-Auth, Tailwind, Edgestore

EXPERIENCE:

- ❖ **Graphic Designer - Upwork**   **Nov 2023 – Present**
  Collaborate with clients to create various design projects tailored to their specific requirements.
- ❖ **Exam Coordinator - Saral Shikshya**   **Apr 2023 - Oct 2023**
  Coordinated with colleges, teachers, and students to develop exam questions, conduct weekly exams, and publish results.
